

AI-QAAEM NEED ANALYSIS QUESTIONNAIRE

In order to prepare the Multi-facility Plan for the new site, we need feedback from all our members. This will cover our needs in the short –term (the next 5 years), the medium-term (from 6 to 25 years) and the long-term (from 26 to 50 years).

We need the input of every member of the community, man and woman, young and old, and we would like every member to complete the form below. It is also available for downloading from our website www.al-qaaem.co.uk. When completing the form please bear in mind the changing needs, not only of individuals but of the community as a whole, for example the more widespread use of chairs.

Listed below are our current ideas and section L for your ideas. Please indicate what level of importance you feel should be given to each by placing a tick in one box for each option. **1 = least important, 5 = most important.** Workshop will then be held to develop and identify our needs.

PLEASE ASSIST THE YOUTH WHO MIGHT APPROACH YOU TO COMPLETE THIS FORM.
